# KEY FEATURES

## Fire-Furniture & Fire-Tables

### Versatile and relocatable

Zero hard utility connections, relocating your fire is a breeze. Entertain on your terms with Cosmo from calm by Fire.

### Smokeless flame

Experience the beauty and warmth of an inviting fire without the smoke and ash associated with traditional fireplaces.

### Organic colours

Choose from our selection of natural, blonde teak or sleek, industrial-style concrete colours.

### Generous table space

The table's large surface area is perfect for setting down wine glasses and appetizers, making it ideal for hosting a party or gathering.

### All-weather materials

We use a blend of green cement, recycled materials, and Fluid Concrete Technology in our lightweight concrete finish which resists scratches, stains, mold, and mildew.

### One-step easy cleaning

Simply wash the ethanol burners in the dishwasher or sink.

### Enhance indoor/outdoor spaces

Elegant and streamlined, fire tables are a stylish and eye-catching feature that creates an inviting ambiance.

### Smooth, sleek finish

Handcrafted to ensure a consistent finish, this sizeable firepit is designed to complement a variety of decors.
